

Kimberly's

A Notice to Our Valued Customers:

Thank you for taking the time to check out our Facebook page. We use social media as a way to show you the work that we do so that you may have an idea of who we are.

Digging into our shop's roots, we feel that it is important to hold a personal connection with each customer so that we can do our best for you. Unlike most of today's florists, we do not subscribe to, or offer, floral wire services. One of the core values that we operate under is a personal customization of each order. Every piece is held to the standards of our owner - in other words, if we wouldn't proudly display it, we won't sell it.

Carrying this forward, we ask that if you need to place an order, that you call us at our shop. Our work is our top priority, so we may not always have the immediate opportunity to log on to this page or our other digital outlets. We will do our best to accommodate your needs and requests. Thank you for your patience, and the opportunity to serve you.

Sincerely,

Kimberly Suhan, Owner
